

Polka Stars Return To Paradise

Polka Hall of Famers Lenny Gomulka, Jimmy Weber, Al Piatkowski, along with Roger Malinowski, Mike Stapinski, and Mike Matousek of Full Circle are hosting another fabulous 7-night polka cruise in the Caribbean. Since their sold out "Polka Cruise with the Stars" this past February was such a success, polka cruisers asked the guys to host another tropical adventure early next year. So it's official; Full Circle's "Polka Cruise with the Stars II" is all set for January 24 – 31, 2009. The brand-new, luxurious MSC Orchestra (MSC cruise line's flag ship) will serve as the elegant floating resort as it embarks from Fort Lauderdale and visits the exotic destinations of Key West, Cozumel (Mexico), Georgetown (Grand Cayman), and MSC's private port in the Dominican Republic, Cayo Levantado. The MSC Orchestra was just built in 2007 (christened by Sophia Loren), has all the state-of-the-art amenities, and is coming to the Caribbean for the first time! Polka dancers will really appreciate its Shaker's Lounge since it has a 484 sq.ft.dance floor.

Full Circle along with guest musicians Rick Piotrowski (Orlando Polka Magic), Steve Dudas (OPM, The New Brass), and Brad Turk (Northern Sounds) will provide the live polka music. Even Polka Hall of Famer and legendary front man of The New Brass, Mitch Biskup, will be on board to please the crowd with his special performances and incomparable personality. Multiple cocktail parties, fun and games with Steve Matousek's "Making Memories" DJ shows, and countless activities will make each day memorable. And, if you ever wanted to rub elbows with some baseball stars, as a special bonus, MSC invited baseball greats Rick Burleson, Ken Griffey Sr., Andre Dawson, Gary Peters, and Stan Bahnsen to share their baseball expertise, stories, and complimentary autographs with the cruisers!

For this trip, Full Circle is partnering with an experienced, professional travel agent who is an avid polka fan and dancer! Her name is Helga Leonard and she owns "A Dream Trip 4 U" travel agency based in the Pittsburgh area. For this itinerary, MSC has agreed to block 150 staterooms exclusively for polka fans. However, deposits must be made immediately to protect the cabins. Here's an amazing benefit for families: kids 17 and under sail free! As long as there are two adults in a cabin with them, the only charge per child is the \$42.00 fuel surcharge. Check out these affordable per person rates based on double occupancy: Interior cabin - \$699 (while they last), Ocean View Cabin - \$869, Standard Balcony - \$1019, and Superior Balcony - \$1219. Third and fourth adults in a cabin are only \$499 per person! Triple and quad cabins are limited, so it's first come, first serve.

Please give Helga a call at (724) 234-2033 at once to make your deposit and reserve your stateroom. You can email her at helga@adreamtrip4u.com with any questions. Check out Full Circle's web site at www.gonefullcircle.com for
